

Dear Store Manager,

My friends and I would appreciate it if you would consider carrying a natural Shaving Product line from The New York Shaving Company®, the products are locally produced and formulated with an exquisite blend of rare and sophisticated essences. They offer a full line of shaving products to provide a daily grooming solution for today's man.

“ In all my research, I've never found a product like this, No more irritation. My skin looks and feels good. I love this stuff!” Goodbye foam shaving cream.— Chris P, New York, NY

“ This product is excellent. It is a great performer, hands down one of the best I've used in all categories “ — Michael S, Philadelphia, PA

“ With the amount of lather this stuff puts out I can probably get at least 3 more shaves off of the little sample. A well made product from the packaging to the cream “. — Todd B, Santa Cruz, Ca

“ My fiancée loves it and so do I... “.— Kyle G, Bryan, TX

“ Lathers like a champ, stays moist and lubricious. Pretty slick stuff.” — Geordon V, Rockford, IL

As you can read from these testimonials, thousands of happy and satisfied customers (worldwide) attest to the fact that they are now getting better shaves because of using this product. You can certainly learn more about The New York Shaving Company® at [www.nyshavingcompany.com](http://www.nyshavingcompany.com). Check it out, and read all you can about this great product!

Well, since The New York Shaving Company® products is a “consumable” product used by thousands of repeat buyers, I'd like to ask if you would consider carrying The New York Shaving Company® (and their other products) in your store. Think about it, why should we continue to spend extra money on shipping and mailing costs when we can spend our monies with you purchasing a product we love and use all the time? This is why I'm contacting you.

I really appreciate you taking the time to consider this matter. My friends and I all look forward to hearing about your decision, as we are telling everyone about my contacting you. We hope you see the value in adding a quality shaving product, like The New York Shaving Company®, to your inventory of products you sell. We know it will fly off the shelves faster than some of your other shaving products products. Just you watch and see!

Kind regards,
